

HTCondor Week 2020

Tuesday May 19 – Wednesday May 20

Center for High Throughput Computing

University of Wisconsin-Madison

<http://htcondor.org/HTCondorWeek2020>

Welcome to (Virtual) HTCondor Week 2020

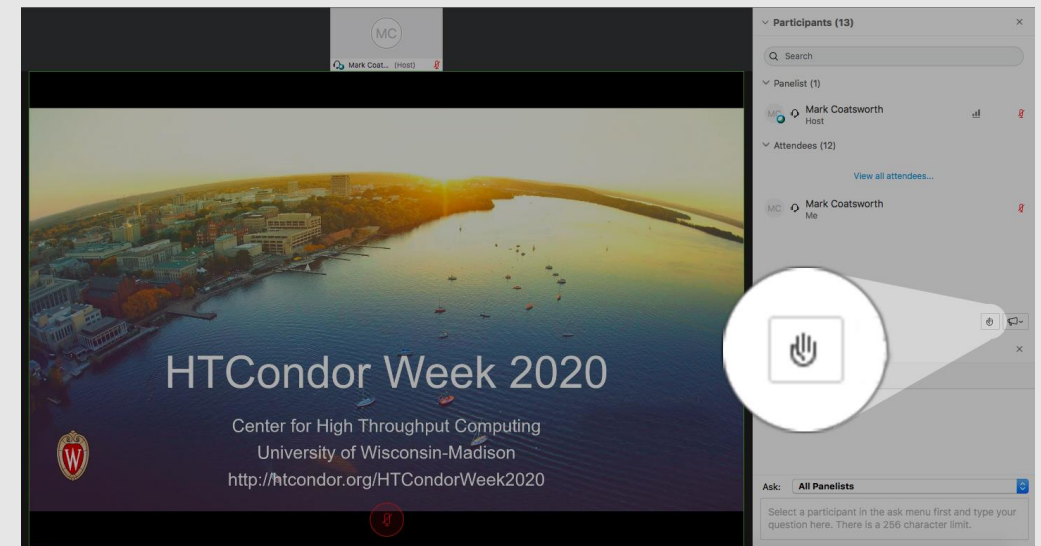

- First ever virtual HTCondor Week
- Details will be changing rapidly, we will post all updates to the website
 - <http://htcondor.org/HTCondorWeek2020>
- Technical support
 - If you cannot connect to the meeting, send an email to htcondor-week@cs.wisc.edu and somebody from our team will get back to you right away
 - If you are able to connect to the meeting, please post a message in the Chat window and somebody will help
- We are not video recording this meeting

WebEx Events: Muting and Unmuting

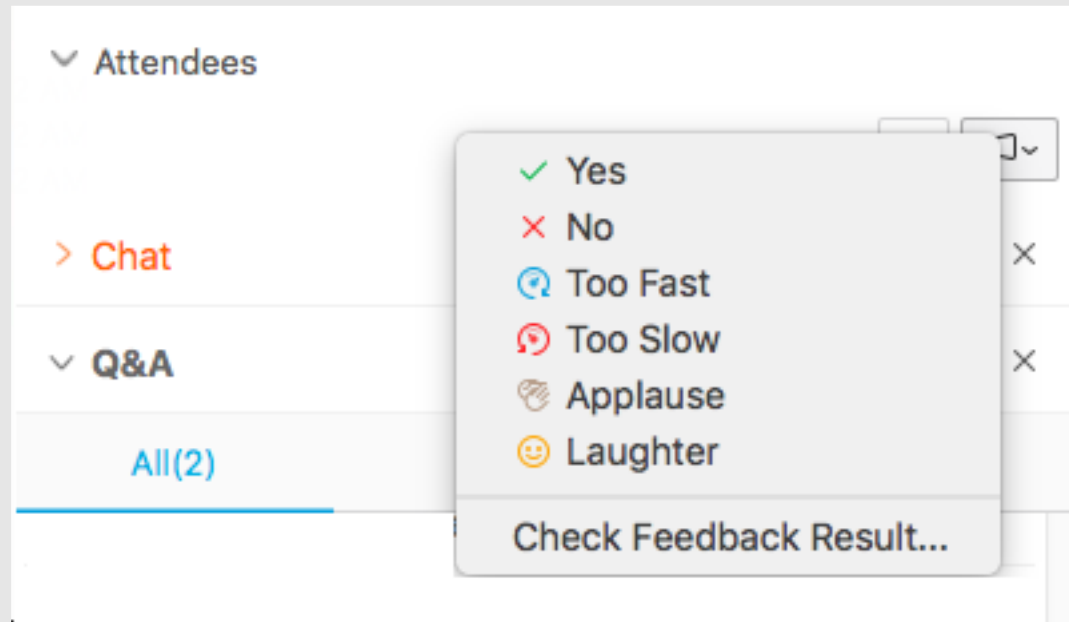

- All attendees are muted by default, have video turned off
- Only one person is allowed to unmute and mute attendees, that is me
 - I will do my best, please be patient
 - If you have a question after a talk, please use the “Raise your Hand” icon in the bottom right.
 - During question period I will unmute people who have hands raised
- Presenters: please turn off your video when other people are presenting

WebEx Events: Applause

- How do you applaud a virtual presentation?
 - Look in the bottom right corner of the Participants window for a dropdown list of feedback reactions.

Schedule of Events

- On Tuesday we'll have two sessions of presentations, each about 2 hours long, with a 1-hour break in the middle
 - Each presentation will be between 15-20 minutes long, with a 5-minute period for questions
- On Tuesday evening at 7pm CT we'll be hosting a virtual happy hour. Details in an email you should have received.
- Wednesday morning will be a series of user tutorials
- Wednesday afternoon will be drop-in office hours
 - We'll run 6 different sessions on popular HTCondor topics
 - All details and meeting URLs in your email.
 - No need to plan ahead, just show up!

HTCondor Workshop in Europe 2020

- HTCondor workshop in Europe confirmed for the week of 7 September (Monday 7 to Friday 11 September)
 - Potential host identified (LAL, Orsay, Paris region, France)
- Large uncertainties around possibilities to travel
- Option to replace real face-to-face meeting by a teleconference event
- Decision will be taken and communicated at beginning of June
 - To htcondor-world, htcondor-friends, hepix-users, ...
- Either way there will be an HTCondor workshop in September!

Let's Get Started!
