

# Diffraction & Vector Mesons Working Group

## Friday, April 29, 2005

### Session 9 - Towards LHC - Ideas-E (4:10 PM - 6:05 PM)

time	[id] title	presenter
4:10 PM	[34] Forward proton tagging for forward physics at LHC	BRIAN COX
4:30 PM	[35] Measurement of hard and soft diffraction at the LHC	H. KOWALSKI
4:50 PM	[32] Physics with Totem experiments at LHC	K. EGGERT
5:25 PM	[33] Studies of high energy photon interactions at the LHC	K. PIOTRZKOWSKI
5:45 PM	[31] Diffractive production of massive states at the LHC	C. ROYON
