Welcome to HTCondor Week 2021

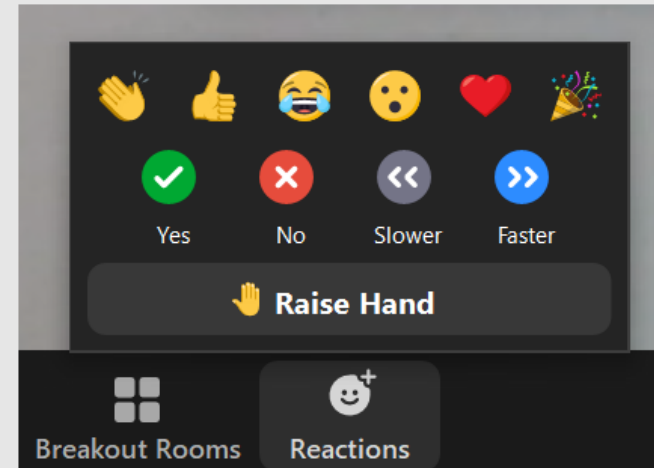

- Second online-only HTCondor Week
- Details will be changing rapidly, we will post all updates to the website
 - <http://htcondor.org/HTCondorWeek2021>
- Technical support
 - If you cannot connect to the meeting, send an email to htcondor-week@cs.wisc.edu and somebody from our team will get back to you right away
 - If you are able to connect to the meeting, please post a message in the Chat window and somebody will help
- This meeting is being video-recorded
 - But not the question periods or office hours

Audience Questions

- All attendees are muted by default
- After each talk, we'll try to include a few minutes for questions
 - If you have a question after a talk, please use the "Raise Hand" reaction.
 - I will unmute people who have hands raised

- Presenters: please turn off your video when other people are presenting

Schedule of Events

- Four days with 2x sessions per day
 - Monday will focus mostly on the big picture about High Throughput Computing at the HTCondor v9 release
 - Tuesday will focus mostly on our collaborators and campus research, how people are using HTCondor
 - Wednesday will feature administrative talks and then drop-in office hours
 - Thursday will feature technical talks about dHTC technologies, then wrap up with science talks from the UW-Madison and CHTC communities

HTCondor Workshop in Europe 2021

- HTCondor workshop in Europe will be happening in Autumn 2021
- Hoping to host this meeting in person, but still uncertainties around possibilities to travel
- Decision will be taken and communicated this summer
 - To htcondor-users, htcondor-world, htcondor-friends, hepix-users, ...
 - Also the HTCondor website: <http://htcondor.org>
- Either way there will be an HTCondor workshop this autumn!
