HTCondor Orienteering

Christina Koch
(Slides adapted from Greg Thain)
Center for High Throughput Computing
Good News, Bad News

Good News: HTCondor is powerful, and can do a lot of things

Bad News: Getting HTCondor to do what you want may be tricky

Good News: The Internet has lots of information about HTCondor

Bad News: Getting information from the internet may be tricky
Navigation online

• General tips: stuff we produce is best
• Don’t go to Stack Overflow or random search
• Stack Overflow

• Random internet searches
  • Often out of date..

• In general, be aware of versioning and potential custom stuff

The Manual™

Working to improve readability and findability.

Pull requests welcome.

https://htcondor.readthedocs.io/
The Manual, Lite

Don’t have time to read the whole manual? ;)

Check out command reference pages.

or...

man condor_submit
condor_submit --help

Release Notes and Version History

View recent feature changes.

htcondor-users Mailing List

https://htcondor.org/mail-lists/#user
HTC23 In Person

• Connect with CHTC team during HTC23
  • Meeting room upstairs available for small groups
• "Us" → means whole community, not just few developers
