

White Paper

Structure and Outline

- Contributions from working groups form basis of text

Editors

- workshop organizers (Baha, Eric, Steen, KMH)
- working group leaders (Hamish, Christian, John, Scott, Yvonne, Ramon, Werner)

Deadline

- Working group contributions by March 15, 2010.
- Editing of complete draft by April 15, 2010

Journal

- Astroparticle Physics

Working Groups

Many thanks to the working group leaders!

Q1 - direct, kinematic measurement

Hamish Robertson, Christian Weinheimer

Q2 - double beta decay

John Wilkerson

Q3 - astrophysics/cosmology

Scott Dodelson

Q4/5 - model dependencies/uncertainties/global analysis

Ramon Miquel, Werner Rodejohann, Yvonne Wong

Workshop Participants

Many thanks to all participants for interesting discussions!

Many thanks to Laura Lee and the INT for hosting us and helping with the organization!
